Editing Your Homepage

Change Your Hero Section (Main Banner)

The hero section is the first thing visitors see - your headline, tagline, and intro video.

1. Click "**Site Settings**" in the left sidebar (under "Globals")
2. Find the "**Hero**" section
3. Edit any of these fields:
 - **Headline** - Your main title (e.g., "Fractional Sales Leader")
 - **Tagline** - Your slogan (e.g., "Less Spend. More Sales.")
 - **Description** - The paragraph below your video
 - **Video ID** - Just the YouTube video ID (the part after `v=` in a YouTube URL)
 - **CTA Buttons** - Change the text and links for your call-to-action buttons
4. Click "**Save**" in the top right

Example: To change your video, find a YouTube video URL like: `https://www.youtube.com/watch?v=fCVKpcpD8tA`

The Video ID is: `fCVKpcpD8tA` (just the letters/numbers after `v=`)

Change Your Credentials Badge

The badge that shows "LinkedIn Top Voice | 50+ Years Sales Experience"

1. Go to **Site Settings**
 2. Find the "**Credentials**" section
 3. Edit:
 - **Primary** - First credential (e.g., "LinkedIn Top Voice")
 - **Secondary** - Second credential (e.g., "50+ Years Sales Experience")
 4. Click "**Save**"
-

Pro Tips

1. **Preview before publishing** - For articles, set status to "Draft" first, preview, then change to "Published"
2. **Keep a backup** - Before making major changes, write down the current values
3. **Short and punchy** - Headlines and taglines work best when they're concise

4. **Test your links** - After updating URLs, click them to make sure they work

5. **Mobile-friendly** - Your site looks great on phones too, but keep text readable
